Nursery Interests

We will continue to develop our nursery plans through the interest of the children. This interest is currently 'Celebrations'.

Please keep looking at our floorbook to see all the work the children have been doing. Please feel free to add your own comments to the floorbook.

Staffing

Mrs Salutous has now left and we wish her well as she prepares for the arrival of her baby.

We would like to welcome Mrs Kaczmarska to our nursery who will take over the red group from Mrs Salutous.

Cloakroom

Just a reminder to ask parents/carers to make sure that all children have their names on all of their belongings especially their nursery jumpers and shoes to stop any confusion.

Please speak to Mrs Kinnaid if you wish your child's name to be written on their nursery shoes.

Transition

As you are aware our children take part in joint play times with the school and attend assemblies where appropriate along with other school events. Nursery Staff and P1 teachers are meeting soon to develop the transition programme for children entering P1 after the Summer holidays.

Once this has been devised we will invite parents / carers concerned to an open evening which will allow you an opportunity to share your thoughts and ideas. This programme will continue to build over the next few months and we will keep you informed of all activities.

Forest Friday

The groups will take it in turn to visit the forest and the other two groups will come to nursery as normal. **If your child cannot attend the forest session with their group they cannot come to nursery with the other two groups that day as staff would not be within their ratio.**

Please ensure staff have up to date contact details and you are registered for using Class Dojo as staff will use this form of communication if they need to cancel the forest session with short notice.
