June 2021

Happy Holidays!

The school will close on Friday the 25th at 1.30pm for the Summer holidays.

We know it has not been the easiest of years and we would like to thank you for all your continued support over the last year. Good luck to our children moving to new schools and nurseries! We wish you all the best for your new adventure! We hope you all have a wonderful holiday!

Dropping off and collecting

When dropping off and collecting your child, you **must** wear a face covering (unless you are exempt) and remain two metres apart from each other.

When approaching the door at nursery, please **do not cross** the line at the board. This is to ensure the safety of staff, parents/carers and all children.

If the door is shut when you arrive, please chap the door and step back behind the line.

Appropriate Clothing

Please ensure that your child has appropriate clothing for nursery. As the weather is beginning to get warmer it would be advised that you provide your child with a sunhat. Please make sure your child's name is on all items they bring to nursery.

It would also be helpful if you could make sure there is at least one change of clothes in your child's nursery bag.

If your child has to borrow nursery clothes, can these please be returned to us once they are finished with.

Health Checks

Please remember it is Falkirk Council Policy that a child should not return to school or nursery until they are 48 hours clear of any sickness / diarrhoea illness.

Regular checks for Head Lice are always recommended.

If your child is unwell the best place for them is at home. We cannot ensure children stay inside when recovering from illness as we are an outdoor nursery and children spend a large part of their day outdoors.

If your child is not well enough to go outdoors, then they should not be in nursery.

Toys to Nursery

Please try and discourage your child from bringing toys to nursery.

At the moment we are unable to allow this due to strict Covid-19 guidelines and children can become upset when staff place their toy in a safe place.

Children should not bring any food or sweets into nursery either.

Nursery Jumpers

If your child is moving to P1 or another school/nursery and you no longer require their nursery jumper, they nursery will happily take these for their nursery swap shop.

Graduation Ceremony

Our Pre-School children had their graduation ceremony on Friday 11th June. Staff have recorded this and are currently editing the video to get sent to pre-school children's parents.

This will be done as soon as possible and e-mailed to all parents.

Nursery Sports Day

Nursery Sports Day will take place on Friday 18th June.

Please dress your child in comfortable clothing suitable for sporting activities.

The Banana bubble will have their races in the morning and the Strawberry bubble will have their races in the afternoon.

Unfortunately due to Covid-19 parents and carers are unable to attend the Sports Day races.

As we usually have a parents and carers race, staff are still looking for you to send us a video of yourselves taking part in a sporting activity so we can show these to the children. These videos will not go on social media and will just be shown to the children on the day of Sports Day.

Please send us a video of yourself doing a race of any kind to your child's SeeSaw account. This could be an egg and spoon race, jumping race, flat race or three legged race for example.

Communicating with staff

Staff will be logging out of SeeSaw and Twitter on Friday the 25th June for the Summer Holidays.

You can still send us pictures of your child but staff will only respond to these messages after the summer holidays end on August the 16th.

KLSB Community Group

KLSB offer assistance to the residents of Airth, Carron, Carronshore, Kinnaird, Larbert, Skinflats, Stenhousemuir, South Alloa & Torwood. They have recently donated us flower planters for outside the nursery which look lovely. They operate a community food pantry in King Street, Stenhousemuir where local residents can join and be entitled to a weekly shopping at a much reduced cost. They also operate a food bank where they take referrals from local authorities and groups such as church groups, councillors, doctors, schools, Support for People, Self-Isolation Support & Social Workers.

They are running out of various items, and the nursery and school are looking to collect items for their food bank. If you wish to hand in any of the following items please hand them in by Wednesday the 23rd June.

The KLSB Community Group are looking for the following items:

Cereal, biscuits, fry bents pies, tinned curries, pasta & dry sauce packets, cheesy pasta, meat paste, diluting juice, pot/super noodles, jams, toilet roll, surface cleaning spray/wipes, washing up liquid, deodorant, shampoo and conditioner.

Lunch Options

Here are the options for lunches for your child.

We are unable to accept any food for your child at the door, due to Falkirk Council Policies. Children get a snack in the morning and then again in the afternoon. Your child gets an option for their lunch each day, and if your child does not eat much of their lunch, staff will ensure they get extra snack in the afternoon as well as telling you on collection.

The nursery follows a three week rota.

14.06.21—Week 2

21.06.21—Week 3

Staff

Just a reminder of who all our nursery staff are at the moment.
