

P5-7 Reading Rockets

Our new reading club will run every Monday afternoon from 3.00-3.45pm in the school library. The club is aimed at P5-7 because our data shows that there is a steep decline in the time spent reading for enjoyment at this age. Once we get a better idea of the level of interest, this may be extended to include younger pupils.

Members of the reading club will be encouraged to attend all of the sessions. They will be invited to choose a book to read from the library or bring one from home. There will be time to read quietly or enjoy reading with a friend. Members will also be encouraged to talk about books they have enjoyed and any authors they would recommend.

If your child/children would like to become a member of the reading club please help them to complete the membership form below then return it to school.

Please note - Any pupil attending the club without a parent or guardian will require signed permission.

The club will start on Monday 30th October and run until Monday 18th December 2023.

Pupils should be collected from the community entrance at 3.45pm.

If you have any questions please contact Mrs Duncan at 01324 503400 or email me
